Zone Change For Mobile Home Park Denied In YL

YORBA LINDA — The City Council denied an application for a zone change to allow a mobile home park on the southeast corner of Buena Vista and Van Buren requested by Vernon Frederick at

its regular meeting Monday evening.

The application had been denied by the Planning Commission and was before the council on appeal.

Councilmen voted to continue the general plan hearings until the end of June while they study the budget for next year, which will be adopted in late June.

Selection of the new city seal was tabled for two weeks so the councilmen could study the entries in the seal contest.

A proposed oil well tax was also continued for further study as to the revenue needs of the city. Several representatives of oil companies appeared at the meeting to oppose the per barrel tax but supported a flat business license tax of \$100 per well.

Councilmen approved the annexation of the southwest corner of Fairmont Boulevard and Yorba Linda Boulevard, the site of the future Fairmont Elementary School, on request of the Placentia Unified School District.

Councilmen also extended the lease on the city hall for another year.

Commission Allows Zone Change; Denies Variance

PLACENTIA — The Planning Commission approved a zone change on 7.19 acres on the southeast corner of McCormack Lane and Golden Avenue from R-G (garden apartments) to R-1 (single family residential) at its regular meeting last week.

The city had originated the zone change to bring the zoning on the property into conformance with

PUSD Dismisses Forty Members Of Staff To Help Reduce Budget

PLACENTIA — Thirty-four Placentia Unified School District teachers got letters in the mail this week notifying them that unless the district Board of Education can find new ways of slashing the budget their jobs are terminated as of June. In addition, in a special meeting Thursday that went until 1:30 a.m. Friday morning, the board lobbed off two supplementary education teachers and four others, including a psychologist and two nurses.

The layoffs are based on a seniority rating and involve 16 elementary teachers, five intermediate teachers and 13 high school teachers.

All five board members expressed regret over taking the action to notify teachers of their termination and promised to work in future weeks to find new ways

of trimming the budget. But there were warnings that the cuts already made had pretty well skeletonized the budget.

It was a tense meeting which began at 7 p.m. in an effort to clear up items hanging fire from Monday night's unfinished agenda. It dragged through routine item after item, sparked only once when Board President Roy Knauff wanted to know while reviewing a food service report why the most popular item, hamburgers, weren't served more often. After battling hamburgers around for awhile, it was finally decreed that hamburgers would be served more often.

Shortly afterwards the board reached the point of discussing the budget priorities. Supt. Murrell M. Miller insisted on going over his prepared outline of budget cuts, including the termination of

teacher positions, with the board behind closed doors. An executive session was called.

More than an hour later the board emerged and the fireworks began. The minute the public got Dr. Miller's budget cut recommendations, listed in priority from 1 to 15, it was obvious that the axe had fallen on a number of teacher positions. Dr. Miller attempted to cover item by item his priority listings, but interruptions from the audience, particularly from the press table, slowed his progress.

Board President Knauff commented that the board was continuing to find new ways to trim the budget and hoped that all the teacher positions could be salvaged. "These are merely letters warning that we may have to terminate the positions."

The board trimmed the budget (Continued on page 2)

PUSD Board Calls 35c August Override Election

PLACENTIA — The Placentia Unified School District will seek a 35c tax override in a special election August 3, it was decided Friday morning in a special meeting.

The tax override, if approved by voters, could generate \$570,000 for the school district. It would cost the owner of a \$30,000 home \$26.25 additional on his tax bill.

The vote, which had some tense moments before passage, came on the heels of a dramatic session of the board on Thursday which concluded at the 11th hour when the board voted to order 34 teacher positions and other posts

terminated because of a tight budget.

The Thursday meeting was concluded two minutes before midnight and a second special meeting called to order before the clock struck 12. The board took up some routine items and then launched into the tax override proposal.

Almost two hours of discussion over the merits of the election with an unusual citizen response in support of the tax increase, apparently wore board member Bob Harkness down. Harkness had made the motion for the election, but before it was seconded, discussion drifted on for an hour.

Yorba Linda Schools Begin Study Of 1971-72 Budget

YORBA LINDA — Methods of communication with the public, city-school recreation agreements, and the 1971-72 budget headed the agenda of the Yorba Linda Board of Trustees meeting May 13.

Budget items were discussed with major funds going to salaries, the total education center, instructional expenses and operation of the school plant. Estimated income for 71-72 was set at \$1,813,071, up \$39,233 from last year's \$1,773,838. Estimated expenditures equaled the total approximated income.

Superintendent Sterling L. Fox presented a list of thirty-three ways in which the board communicates to the public, which included the PTA, student-parent communication and newspapers. Discussion on the ways available to the board for improvement of current communication methods and ways to involve a greater portion of the community was held.

The proposed city-school recreation agreement, which was developed by a joint city-school district committee, was presented as a rough draft and discussed.

Dave Snow Named As New Librarian

PLACENTIA — David E. Snow was appointed director of the Placentia District Library at a Monday night meeting of the board. His duties began immediately as board members studied a rough draft of the 1971-72 budget which will be finalized and adopted at their regular meeting June 14.

Trustee Robert Hubalck prepared the preliminary study and then turned it over to the new director. Tentatively increases will amount to seven per cent over what was required for the past year but trustees indicated that 431 for the third consecutive year.

Snow's position as library director begins a totally new venture for him. His background includes 16 years experience in administration, planning and budgetary controls with North American Rockwell Corporation, the last 10 years at Autonetics in Anaheim. Prior to that Snow was an elementary school teacher in the Lowell Joint School District in Whittier and currently holds a California teaching credential.

He stated that he felt fortunate to be in at the beginning of the new library construction; to be able to help choose the site and architect.

Snow's selection came as a result of interviews with 13 prospective candidates for the position from all over California.

Ten-year residents of Placentia, Snow and his wife, Carolyn, are parents of four daughters, Deborah and Karen, 17 year-old twins, Pam, 14, all students at Valencia High School and Paula, 11, who attends Morse School. Snow is an elder for the Placentia Presbyterian Church and is on the board of directors at the Placentia Boys Club.

YL Council Begins General Plan Hearings

Detailed plans for the orderly growth of Yorba Linda as a low density city were presented to the City Council Tuesday night, May 11. Following the presentation of the General Plan the meeting was thrown open to the public for questions.

Charles Stapleton, vice president of Lampson Association told of the general elements of the plan. Dale Levander, Development Research Association, gave the results of an economic base study, and Wes Pringle, a traffic engineer, dealt with the development of a road system to best serve the people of Yorba Linda.

Hearings were continued until this week when residents will be able to make statements regarding the plan.

The plan is not a static one, the capacity crowd was told. It can be as flexible as the city council wants to make it. The plan is simply a statement of policy to guide the growth of Yorba Linda.

Provisions have been made in the plan to develop the Richard Nixon birthplace, the first step being the relocation of the adjacent schools. The planners urged the city to begin a vigorous plan of annexation to obtain the airspace to the north and east of the city and parcels of county land.

The plan recommends that horses be phased-out except for those near a planned equestrian center and the greenbelts which will connect a series of planned parks throughout the city.

Committees Are Working On Valencia Grad Night

Work on Valencia's grad night is progressing with committee members meeting night and day.

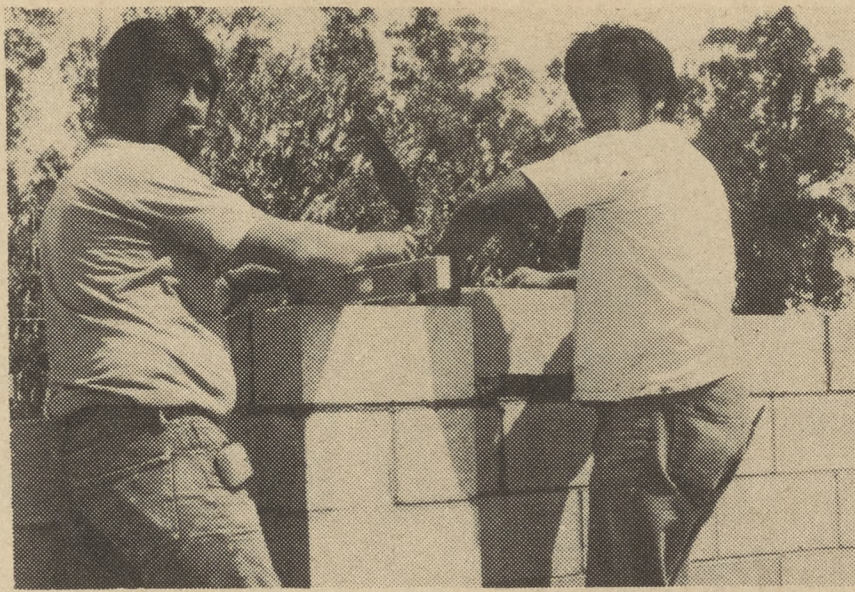

Under the guidance of chairman Betty Joe Burns, decorations have been started for the all-night party annually held in the gym following commencement exercises. Paul Marshall is correctly completing sketches for a mural to portray the 1971 theme, "Hey world, here we come!"

Local merchants and businessmen have been asked to contribute prizes and supplies to the senior parents' efforts. Door prizes include two round-trip passes to San Francisco from Air California, a

night's lodging for two at the Sir Francis Drake Hotel, also in San Francisco, and two box seats for a Dodger game.

Individuals wishing to contribute monetary donations are asked to contact finance chairman John Barnes at 528-9517. For door prize donations, Verna Huson at 528-0406 or Estella Hayes at 528-5247 should be contacted. Parents wishing to help with decorations should contact Mrs. Burns at 528-0886.

Grad night will be held June 18 with entertainment to include two bands and Mr. McGuire, a well-known hypnotist.

Anthony Riesgo of Long Beach and Roy Mendoza of Garden Grove work on the walls at the Placentia Boys Club. They are two of the members of Bricklayers Local 22 of Orange County who are donating their time to the club project.

Meier Spearheads Block Work On New Boy's Club

William Meier, financial secretary for Bricklayers Local 22, is spearheading coordination of block work on the new Placentia Boys' Club facility. Blocks are being laid by the apprentices of Local 22 as a service project and instructional program. Over 2,000 blocks have been laid of the 14,000 block total, even though work is limited to weekends.

The apprentice program is coordinated by Bill Edwards with Vic Valesquez working as both field and classroom instructor. Officials of the Boys' Club were overjoyed with the quality of the work done by the apprentices, and by the obvious enthusiasm of the men in getting the walls of the Boys' Club up.

The apprentice program is under the sanction of the California Conference of Mason Contractors Association, Inc. which has a local Orange County Chapter. Bill Edwards coordinates the programs activities with the

Bricklayers Union and the Mason Contractors.

The 36 men in the training program range from 18 to 32 years of age, and spend a minimum of three years as an apprentice. Work on the Boys' Club is just one of numerous community projects.

Ralph Crosswhite, local builder who has volunteered to direct the Boys' Club construction, commented, "These young men are fine craftsmen learning a valuable and satisfying trade. They are lucky to have such fine instructors." Ralph learned later that the instructor is also a State Building Inspector and instructor at a local college.

He Said He was Walking On A Pit Full Of Straw

A woman recently wrote, "What is dizziness? Every-time I tell my husband I'm dizzy he wants me to describe it. I can't, can you?"

That is a recent challenge we've submitted to Dr. Donald Brinkley, Brinkley Chiropractic Center.

"Dizziness has many meanings and the manifestations vary with the cause," says the good Doctor. "I've heard the term used to describe reeling, lightheadedness, faintness, giddiness, weakness, hazy vision or confusion."

Dr. Donald Brinkley

"Others," Dr. Brinkley continued, "are more articulate in their description. They say it's 'like walking on a pit full of straw,' 'going down an elevator,' 'uneasy,' or 'something in front of my eyes.'"

"My best try at describing true vertigo," says Dr. Brinkley, "is to say the sensation resembles the dizziness we develop as children when rolling downhill or turning around and around while in a standing position. The world turns about when the eyes are open, but when closed we would whirl about in space like an astronaut."

Dr. Brinkley does explain that dizziness is not an uncommon symptom,

but the manner in which an individual experiences it is important to the Doctor's diagnosis. For instance, the childish sensation described above is a type of vertigo that stems from a disturbance in the centers of equilibrium in the ears of brain.

"A person with high blood pressure is more likely to complain of lightheadedness than of true vertigo," says Dr. Brinkley.

You can help the Doctor by telling when the dizziness occurs. An example, notes Dr. Brinkley, is "The oldster who almost falls when he jumps out of bed or stands up too quickly. He could well have a circulatory problem."

"Of course," says Dr. Brinkley, "the most meaningful thing about dizziness is that it is a symptom, and one that should not be ignored. Only recently I had a patient who complained of dizziness when he turned his head to the side or upwards. On examination I found that he was suffering from an arthritic spine. Needless to say, had it not been for his dizziness he would not have sought treatment for a very serious and often eventually crippling problem."

Further information regarding this problem can be had by writing the News-Times, Box 10, 130 N. Bradford Ave., Placentia, Calif. 92670.

Michael Brown And Deborah Bevan Wed

Deborah Lee Bevan became the bride of Michael Murray Brown April 30 in an evening ceremony held at the Placentia Presbyterian Church with Pastor Thomas Lane presiding.

The bride selected an ivory-silk chiffon gown with empire bodice in lace and full-length lace sleeves. A train of cathedral lace fell from the back of the dress

which was accented by a bouquet of white baby roses and baby's breath.

Maid of Honor Diana Bevan, Matron of Honor, Mrs. George Barnett and bridesmaids Jill Shelton and Barbara Boulton were attired in yellow crepe chiffon empires with bouquets of long stem yellow roses.

Myron Brown served as best man while David Martinez, Jerry Sims, Tim Bevan, and Bruce Squires acted as ushers.

Two hundred guests attended the reception held in the Presbyterian fellowship hall with Vicki Brown attending the guest book and Paula Valdez and Gretchen Blue acting as servers.

The new Mrs. Brown is the daughter of Mr. and Mrs. Jarvis A. Holcomb of 1500 Bunbury Dr., Whittier and attended Whittier Union High School and Rio Hondo Junior College.

A graduate of Valencia high school, the groom is the son of Mr. and Mrs. Murray Brown of 500 Purdy, Placentia.

The couple honeymooned in Palm Springs and now make their home in Whittier.

Steve Christensen Earns Eagle Award

Steve Christensen, son of Mr. and Mrs. Jack O. Christensen of 1710 Valencia Ave., Placentia, was the recipient of the Eagle Award recently, scouting's highest award.

The Eagle Court of Honor was directed by Scoutmaster Richard Incontro of Troop 723, who was assisted by Scoutmasters Ray Smith and Donald Schnoor.

Steve has been in scouting for over six years and has held the positions of den chief, assistant patrol leader, patrol leader, chaplain and scribe. A member of the Order of the Arrow and recipient of the mile swim badge, Steve is a freshman at El Dorado high school and enjoys football and track.

Tickets for the prom, which begins at 8 p.m. and ends at midnight, will go on sale soon for \$5 per couple. No tickets will be sold at the door.

Jane Pebley

Jane Pebley, Bob E. Keller Will Marry

Mr. and Mrs. James W. Pebley, 444 E. Morse Avenue, Placentia recently announced the engagement of their daughter Jane Adele Pebley to Robert Eugene Keller, Jr., son of Mr. and Mrs. Robert E. Keller, Sr. of Garden Grove.

The bride-elect is a 1970 Valencia High School graduate and had been a member of the VHS band. Miss Pebley is presently attending Fullerton Junior College.

Keller, a graduate of Bolsa Grande High School, is presently in the U.S. Air Force, stationed at Luke Air Force Base in Phoenix, Arizona.

The young couple plan a July 9 wedding to be held at the Calvary Church in Placentia.

"Harbor Lights" To Be Valencia Prom Theme

The evening's entertainment will be provided by "Homegrown," which has played at several of Cal State Fullerton's fraternity proms.

Highlighting the evening will be the crowning of the king and queen as selected by the senior class. Nominations for the royal couple will be held May 14 during lunch.

Refreshments will be provided and a photographer will be on hand.

Mrs. Scanlon, Mrs. Zylius, Win Games

Barbara Scanlon and Joan Zylius were high scorers at the monthly bridge game at the Yorba Linda Country Club. Their 4820 was followed by Pat Wright and Cecil Parker who were in second place with 4730.

Mr. and Mrs. James Green, third place winners with 4350, also won the mystery round. Fourth place winners were Mr. and Mrs. Donald Blake with 4220.

Memorial Poppies To Be Sold This Week

Poppy Days, sponsored annually by the American Legion Auxiliaries, will be held May 21 and 22 this year.

The red crepe paper flowers are made by patients at Veterans Hospitals throughout the United States while the proceeds are used to obtain items needed by the hospitals, for child welfare, scholarships for veteran's children and local funds for aid to Veteran's families.

Funds earned in Placentia Unified School District

schools last year went towards the purchase of a special wheel chair for orthopedic patients with extra large casts.

Christmas gift shops where patients can pick out free gifts for members of their family are also supported by poppy sale funds.

Placentia and Yorba Linda residents are urged to purchase a memorial poppy and play their part in a continuing program of good will.

Rex Beach Day Held At Valencia

Signs proclaiming "Beach day," "It's Rex Beach day," and "We love you, Mr. Beach," were plastered across Valencia's campus last week as members of Rex Beach's physics classes honored the school's veteran teacher since 1939.

Mimeographed bulletins decorated windows, doors and walls with sayings like, "Have a nice Beach day," "Beach is a peach," and "Rex is complex." Outside the physics room, yellow toilet paper proclaimed the part-time abode of the illustrious Beach.

Two cakes, a plaque made by some of his students and an off-tune rendition of "Happy Beach day to you," were included in the day's festivities.

Commented Beach wryly on the doings, which left him momentarily speechless and very happy. "Well, I don't know who did all this but it took me all night."

Jaycee Fun Day Is Success

The Placentia Jaycees had a large turnout for their annual fun day held Saturday, May 15 at McFadden School with about 300 children from ages 6 to 14 participating in various track and field events.

Morning events ran from 10 a.m. to noon when a hot dog lunch was served and awards distributed. The afternoon consisted of more events with awards being given at 3 p.m. All participants received a ribbon stating that they had participated.

Jaycee President Bernie Radza stated that this was one of the largest turnouts ever for the fun day.

Hawk Dance Classes To Give Show

Modern dance classes from El Dorado will perform "A Beautiful Thing" Saturday, May 22, as their annual show.

The show will begin at 8 p.m. in the ED gym. Tickets will cost \$1 for everyone.

The yearly show has been in preparation all year. Advisor for the event is Miss Sue Grant.

Entertainment during intermission will be provided by Ralph Lewis and Dave Vaughn, who will play live.

"A Beautiful Thing" should prove to be a delightful show. The community is invited to attend.

ED Seniors Enjoy Week Of Activity

Seniors at El Dorado could claim that last week was definitely theirs. Senior Activity Week featured activities to occupy seniors every day of the week.

Monday, May 10, a traditional pancake breakfast was held for the seniors. Tuesday they were treated to the movie "Luv," which was shown in the

lecture hall during the morning.

Wednesday, El Dorado's pools were opened for use by seniors only during the afternoon, while Thursday they saw a gymnastics demonstration featuring the Cal State gymnastics team.

Friday was the highlight of the week, as seniors celebrated "Ditch Day." Irvine park was the site of the day-long excursion.

Parkette Ceremonies Scheduled

This weekend climaxes a year-long service project for the Placentia Jaycees, when dedication ceremonies are conducted for a recently completed "parkette" for Placentia.

Sunday, May 23, ceremonies will begin at 1:30 p.m. The park is located at the intersection of Kansas and Missouri streets, which are near the Orange freeway and Orangethorpe avenue.

Jaycee President Bernie Kadza will officially present the park to Placentia Mayor Robert Finnell. Also on hand for the occasion will be Placentia's Junior Miss, Joan Huson.

Sunday's activities will combine the official dedication as well as tree planting ceremonies. External Vice-President Don Millsap notes that surprises will be in store for kids who attend.

Even with Sunday's tree planting, the club would like more trees to complete the park.

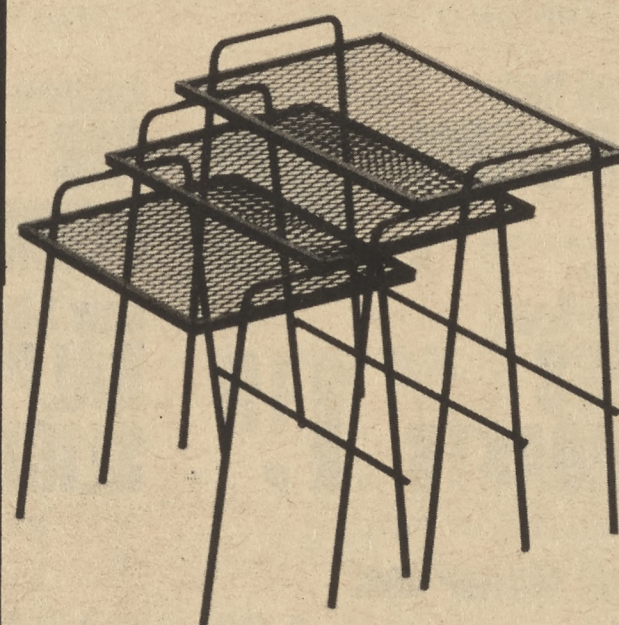

Troop 770 Goes On Campout

O'Neal Park was the scene of a recent campout of the Boy Scouts of Placentia Scout Troop 770.

The thirty scouts were accompanied by Scoutmaster Todd Murphy and Assistant Scoutmaster Dave Baughman and the following fathers: C.A. Butram, Ed Coughlin, Don Hamman and R. Rees.

201 S. BRADFORD

The air waves are filled with superlatives about Colonel Sanders Kentucky Fried Chicken. We in the Placentia-Yorba Linda Area are fortunate to have two Kentucky Fried Chicken restaurants close by. Carl Smedley of Santa Ana is manager of the Yorba Linda store.

Of course the Colonels famous recipe is tops, and the food is delicious, but the current window special is most attractive, with a mini-dinner for only 79c, with coffee or punch free when it is ordered before 3 o'clock.

Besides two generous pieces of 'finger lickin good' chicken whipped potatoes, and gravy, and a roll with honey are included in this window special.

The Kentucky Fried Chicken House in Brea opened just recently with Richard Rosenberger of Buena Park, managing the shiny store on Brea Blvd.

Food is boxed to go, but it is a real treat to eat lunch or

dinner at the restaurants. The atmosphere is warm and friendly, and each table is graced with a vase of fragrant fresh carnations.

★★★★★

The Gold Griddle on Bradford Ave, just south of the library, is a great place to get excellent food and quick service.

Each week, Ruth Lenzini offers a window special at the Gold Griddle, and currently features a ham plate or a delicious Spanish plate.

The ham plate features a generously filled sliced ham sandwich, potato salad, and lettuce and tomato salad. The Spanish plate, features spanish rice, beans, and a

choice of tostado, taquito, burrito or taco, for only 70c.

Always available at the Gold Griddle is a delicious pork Tenderloin sandwich, which is a satisfying change for a quick lunch.

The dining room at the Gold Griddle is always kept sparkling clean, tidy and on the warm days, the air conditioned comfort is gratifying.

Placentia Baptist Club To Assemble May 20

The Senior Citizens Club sponsored by First Baptist Church of Placentia will hold its regular monthly meeting on Thursday May 20 at 2 p.m.

Guest speaker for the day will be Harold Lang, a native Californian who came to Orange County when less than a year old and has seen the changes over the years.

He is past president of the Orange County Historical Society, and was administrative director of the Orange County Bicentennial Committee, which had a vital role in the celebration of the 200th year since the coming of the Spanish to California.

He is considered an authority of the mid-Pacific islands and will present a

program on the Hawaiian Island group, featuring pictures and background material on the islands.

FISH Group To Celebrate Anniversary

Members of Placentia's FISH will celebrate the organization's second birthday with a potluck dinner June 1.

Scheduled to be held at the St. Joseph's Parish Hall, the festivities will begin at 6:30 with 'good-news' announcements, behind-the-scene leadership recognition and informal sharing.

The party is open to the public and will serve as an opportunity to acquaint people with the FISH volunteers.

Police Department Girls Finally Receive Uniforms

One would hardly think of a police department as being in the fashion news. However, female personnel of the Placentia Police Department are proving this week that a Police Department can be chic as well as functional in dress.

Dispatchers and secretaries of the department are now being attired in style accented polyester double-knit uniforms designed by Penny Duquette Knits of Oakland, California.

The outfits are navy blue in color, consisting of an A-line skirt with matching jacket and a short sleeve shell, color-keyed for summer or winter wear. The jackets are adorned with gold buttons and official Placentia Police Department shoulder patches.

Also in keeping with current modes, the new uniforms may be easily converted into a pants suit which may be worn during evening work hours.

Three Apprehended On Burglary Suspicion

Three burglary suspects were apprehended by Placentia police on Sunday afternoon on Van Buren, south of Orangethorpe. They were Andrew Alfred Reyes 29, of 4506 La Paloma, Atwood; Pauline Eileen Reyes 19, of the same address; and Elias Vargas Jr., 24, of 6522 La Palma, Anaheim.

According to police reports, a neighbor saw the trio at a new unoccupied home at 718 Magnolia St. in Placentia. In the trunk of the vehicle was a built in

A similar burglary nearby on Saturday was reported to police by manager of the tract office, and police are investigating to determine if there is a connection between the two incidents.

ED Baseball Loses OL Title; CIF Game

El Dorado's baseball team finished its best ever season by losing in the first round of CIF to Gahr High School.

For the first time in El Dorado history, a major Varsity team entered CIF. However the diamonders found the going rough and lost a 2-1 battle in nine innings. Coach Byrnes' squad finished second in league with a 10-5 record, and an overall record of 14-9.

Phil Hendershot went the distance for El Dorado as he held the Gladiators scoreless for eight innings. In the top of the ninth, Tony Madau tripled and scored the lone Hawk run when Mike Healy got an infield hit. In the bottom half of the ninth, with runners on second and third, and two away, a dropped fly ball proved the difference as Gahr scored two runs. Junior Jeff Matheisen had a fine day hitting two doubles.

Sonora, Orange League champs, won its first round CIF game beating Artesia, 4-2. Artesia was runner-up to

Gahr in the Suburban League.

El Dorado lost the OL Championship when they lost the final league game to Laguna, and Sonora beat Saddleback, 1-0.

Laguna nipped the Hawks 4-3 in eight innings with a disputed call at the plate providing the winning run.

ED Golfers End Season With Victory

What could make a golf coach happy after a dismal 3-7 season? According to El Dorado Coach Lee Osterberg the fact that he will have five returning Varsity letterman out of seven is everything to look forward to.

The Hawks golfers will be losing seniors Phil Offenhouser, Steve Huston, and Ron Hlavac. However, Wesley Leach, Mark Casciari, Jeff Van Winkle, Bill Schoolcraft, and Gary Melton will return with high hopes of improving on this season's mark.

El Dorado did end the season on a happy note by beating Costa Mesa 517-528. Wesley Leach was medalist with a low score of 80.

Last year's Yorba Linda Country Club Champion Ann Carnahan, right, congratulates this year's winner of the club title, Rosemary Clifton following the end of the tournament.

Warriors, Red Angels Stomp Diablos, Spitfires

Outstanding plays this week in the Bob-Ettes girls softball include an unassisted double play by Lorrie Mckinster on Saturday. Heather Malkowski went 4 for 4 for the Warriors on Tuesday, and Debbie Wales and Patty Brow both went 4 for 4 for the Patriots on Saturday.

In the Minor League, Terry Gallagher hit a home run for the winning Angels on Monday. Lisa Puettmann hit two home runs for her Tom's Tigers this week, and

Rene Ricco went 3 for 3 for the Banditos on Monday.

Madau To Represent ED's Varsity Track

Tony Madau will be the only Varsity spikemen left for El Dorado this Saturday at the CIF track semi-finals at Westminster High School.

The Hawks high jumper cleared 6-4 to qualify against most of the Orange County schools. However teammates Mark Davenport (shot put), and Bob Johns

(880) were unable to qualify in their heats. In Bees, sophomore Greg Kempton is still running, qualifying in the 100 and 220. Kempton took second in his heat of the 100 with a 10.4. In the 220, Kempton won with a school record time of 22.5 as he was four tenths of a second faster than the second place runner.

Dean Brewer qualified sixth in the shot put with a toss of over 48 feet. Sophomore Pat Dutzi broke the school record for the 1320 as he placed second in his heat at 3:15.

El Dorado's Bee 880 Relay decided not to run so Kempton and Brewer could concentrate on their events. In Bees, Chris Jones (660) and Roy Putman (pole vault) failed to qualify.

Sherbeck Named OL Champion

Freshman Dave Sherbeck of El Dorado is the 1971 Orange League tennis champion after defeating cross-town rival Dean Okimoto of Valencia.

El Dorado's freshman super star blitzed the Valencia sophomore, 6-2, 8-6 in the finals held at FJC last Wednesday. Sherbeck has played a season with only losing one set in non-league competition and will enter CIF in hopes of placing as one of the best in the CIF.

The Hawks' second man, Bob Backes, defeated Sonora's Jim Holst for third place in league, 9-7, 5-7, 6-3. Clark's team finished fourth place in the Orange League behind Sonora, Laguna, and Valencia, with an 8-7 league record. The netmen had an overall record of 11-10.

Miss Chaidez Given \$500 Scholarship

Magdalena Chaidez, a senior at Valencia High School, is the recipient of a \$500 scholarship from the Mable C. Tuffree Trust Fund of the Placentia Presbyterian Church. Presenting the scholarship check to Maggie were George Dreyer, president of the Tuffree Trust Fund, and Mrs. Eva Burt, a member of the Tuffree Trust Committee.

Red Sox Pull Into Top League Position

In the Major League of the Placentia Little League, the Red Sox have won their last three games while the league leaders have faltered. First place in the league is now shared between the Red Sox and Expos, previously sole possessors of the top position. The contending Senators have been dropped to third.

As the Minor A League approaches the end of the first round, the Indians continue to hold a slim one-game advantage over the Athletics and Yankees, tied

for second spot. The Braves, Giants, and Twins are battling for position, all with identical records of five wins and four losses.

The Jets and Colts, with only one loss apiece, are fighting for the lead with only a few games left in the first-round play in the Minor B League. The Bears, Lions, and Rams, with 5-3 records, are contending for third, fourth, and fifth spots.

At completion of first round play, winners will be declared in the Minor A and B Leagues. The leagues will then be split into two divisions each, with two rounds of interdivisional play for the remainder of the season.

The Mets beat the Cards 10-0 on a one hitter by Dan Petry to take sole possession of first place in the Yorba Linda Little League. The Mets had been beaten by the Dodgers last week, 7-4, on a sixth inning homer by Tom Sheffield.

In the American League Tom Flores and Jim Hampton of the Royals homered to help down the Inaans 9-6 and Brad Ou homered for the Orioles.

Tom Waloeiz pitched a two-hit, 13-strikeout game for the Colts as they remained undefeated.

VHS GAA Competes In CIF Meet

Headed by coach Miss Joan Stewart, members of Valencia's GAA track team traveled to Arcadia high school recently for the first experimental CIF track meet held for girls.

Entries in the competition were selected from the top ten girls in Southern California in their respective events with the first five winners receiving medals.

Representing Valencia were Patti Anderson in long jump with 16' 7 1/2" to place third; Sue Barro, fourth in low hurdles; Karen Conroy, fourth in 440 yard dash; and Stephanie Horvath, fifth in 100 yard dash.

Cynthia Horvath, Gall Freudenberg, Jan Thomas and Stephanie Horvath combined their efforts to take fifth in the 440 relay.

Entered in the high jump and shot put respectively were Jan Severson and Meredith Spicer.

VHS Golfers Defeat Hawks; Take League 9-0

By defeating El Dorado High School last Monday by 59 strokes, the high flying Tigers of Valencia High wrapped up the League championship with a 9-0 record.

Once again it was Greg Bilton, the mighty Sophomore, who led the Tigers with another fine 75 on the tough Alta Vista Course. Bilton is currently the top golfer in the circuit winning 8 matches and his only defeat was by one stroke.

Daryl Eve was second low with 81, followed by Mike

Troy Takes Third Place In Freeway

Troy's baseball team ended its 1971 Freeway campaign on a successful note with a victory over the league champion Fullerton Indians. The 4-2 decision put the Warriors mark at 8-6, good enough for third place.

Sophomore Mark King, given four first inning runs to work with, held the powerful Indians to six hits and struck out nine. Wynsan Moore led off the four run uprising with a single and scored on Rick Peters double. Hits by John Hufford, Lance Copeland and Charlie Parker plus a walk resulted in the other three tallies.

Orth and Drew Mehner with 82's. Larry Taylor had an 83 and Bob Kalmbach and Dennis Saunders each fired 85's for the Tigers. Low man for El Dorado was Don Plunkett who fired an even 90. Other El Dorado golfers were Van Winkle, 91; Casraci, 94; Leach and Offenhauser with 95's, and Huston with 98.

Valencia's Varsity will enter the CIF team championship play at either El Niguel or Riverside Country Clubs early in June according to Coach Hal Polley.

Seven Valencia High Trackmen Enter CIF

Cerritos College will be the destination of seven Valencia spikers as they compete in the CIF semi-final competition Friday evening.

In the varsity division, the Tigers will have senior Ron Mooers and junior Jim Collins in the pole vault event. Preliminaries were held Saturday at Westminster High School with the action starting at 11:30 a.m.

Valencia has three qualifiers in the Bee division with tracksters Rusty Miller, Mitch Glowin, and Ron Rankin. Miller will enter the 660-yard race, Glowin will be leaping in the Bee long jump, and Rankin will compete in the shot put.

Distance runner, Richard Gonzales will be running in the Cee 1320 race while Cee shot-putter Charlie Pernice fights for a win.

FJC Advances In State JC Playoffs With Win

The Fullerton Junior College baseball team moved into the second round of the state JC playoffs by ending Southwestern's 18 game winning streak 5-3 last week in Chula Vista.

Yesterday the Hornets met the winner of the Los Angeles City College-Pierce college game. LACC is the favorite in the playoffs.

It took three runs in the eighth inning for the Hornets to secure the victory. A double by Tom Turner scored Greg Clark and a double by Norm Kepner scored both Turner and Kim Cates.

Dennis Root, the standout pitcher all year, went the route for FJC only having problems in the eighth inning. Root struck out 10 batters and allowed one walk.

The other two runs by the Hornets were in the first

when Clark singled and moved to second when Hobbs walked. Clark then made it to third on a double steal while Hobbs was thrown out. Turner grounded out to score Clark. In the fourth inning Cates hit a home run to extend the lead to 2-0.

Troy Loses To Sunny Hills Squad

The Troy Warrior tennis squad completed its most successful season ever last week by splitting two matches.

On Tuesday, for the league championship against Sunny Hills, the Warriors led all day but came up one point short, 14 1/2-13 1/2, giving the Freeway League crown to the undefeated Lancers. Glen Nakazawa and Gary Weinmann teamed to take 3 of 4 sets in doubles and the other team of Steve Kettenburg and Charlie Hobson won 2 of 4. However, Troy took only 6 of 16 points in singles. Dan Conger and Dan Walker of the Lancers each won 4 points in singles to lead their team's attack. John Simmons was high man for the Warriors in singles with two points.

The final match of the campaign saw the Warriors scramble to put down a spirited bid by the Fullerton Indians. Earl Lund led Troy singles players with 3 points including the final tally of 6-4 over Kenton Hawkins to give the Warriors a 15-13 victory. In doubles, the first team of Kettenburg and Hobson accounted for 5 1/4 points, winning three sets and tying a fourth.

The victory gave the Warriors a 12-2 league record, good enough for second place. Troy's overall record was 17-2.

CSF Takes CCAA Track Championship

"It was a fine showing and a complete effort," stated the Cal State Fullerton track coach about his team's CCAA championship victory last week on the Titan track.

The Titans, not favored in the meet, were second in total firsts but the added depth in nearly every event gave the team a sure victory scoring 103 points to Cal Poly San Luis Obispo's 81 points. Cal Poly Pomona was third with 58 and San Fernando Valley State finished fourth with 37 points.

Tim Tubb led the Titans with two firsts, in the mile and the three mile run. Al Carlson was tops in the high hurdles, Steve La Fond in the shot put and Brad Powell in the javelin.
